CITIUSTECH AWARDED WITH ‘2014 BEST COMPANIES TO WORK’ FOR THIRD STRAIGHT YEAR

Princeton, NJ (June 30, 2014) – CitiusTech, a leading provider of healthcare technology solutions, announced today that it has been named by the Great Place to Work® Institute as one of the best companies to work for in India. The award is a testament to CitiusTech’s innovative and high-performance work environment. CitiusTech had also won the ‘Best Companies to Work for’ award in 2012 and 2013.

“The award reiterates our continued focus on creating a friendly and intellectually stimulating work environment – accelerating innovation in healthcare technology, for our customers and partners,” says Sowmya Santhosh, Vice President of Human Resources at CitiusTech. “Our focus is to create a collaborative and positive environment that helps in the personal and professional development of our employees. We believe in empowering employees to make smart decisions and practice continuous innovation which is a mandate to succeed in today’s competitive world.”

The ‘Best Companies to Work for’ list is instituted every year by the Great Place to Work® Institute, the world’s leading human resources consulting, research and training firm. Over the last 25 years, Great Place to Work® programs have been employed by some of the most innovative and respected companies in the world.
